## Handbook Acknowledgement 2013-2014

**Please return signed form by September 6, 2013**

Creating musicians is a team effort. My instruction, your child's efforts, and your support are all necessary to see optimum results. Concerts are the public display of our collective product and require each and every student participating.

For that reason, I ask you to initial, sign and return the bottom portion of this sheet to acknowledge that you have read the handbook and written the concert dates on your home calendar. Leaders of extra-curricular activities appreciate advanced notice should concerts conflict with their events, so consider giving them notice now.

Thank you for taking time to go through the handbook. I am looking forward to a wonderful year filled with music and memories!
